**3rd EUROPEAN CHAMPIONSHIPS IN SPORTING SEA ANGLING FROM
DRIFTING BOATS WITH ARTIFICIAL LURES**

in Darłowo 09-16 june 2018

FIPS-M: Fédération Internationale de Pêche Sportive - Mer entrusted the organisation of European Championships to Polish Angling Association, and honor of realisation was given to Masovian Region of PAA. Championships will be organised with the Mayor of Darłowo – a city friendly to anglers and to marine anglers, that is why we chose the charming and verified town Darłowo. For start in an European Championships we invite 5-persons teams, and colleagues who want to start individually. Darłowo has numerous, perfect quality ships, so we can ensure, you that there will be space on deck for everyone. We truly hope that participation in the championships and time spent by the Baltic Sea will be for all of us not only the great fishing adventure, but also an opportunity to make new friendships and exchange experiences between european anglers.
